Should such a situation arise we ask that parents raise the issue with the manager. A copy of all complaints will be kept at Jack in the Box and parents will be kept informed throughout.

**Information Sharing and Family Support Process:** As a rule information which you and your child provide will only be shared with parental consent. However, there may be certain times when we need to share information, for example, when we need to find out if a child is at risk of harm, we will then follow our procedures without parental consent.

**Duty of care in Early Years Settings:** Everyone working with children has a "Duty of care" to keep children safe and protect them from harm. This means that we have a duty to report child protection or welfare concerns to Children's Services or the police.

**COVID-19:** Full fees are due for any periods of self-isolation, quarantine and closure.

We accept no responsibility for children whilst in their parents care on Nursery premises.

12 Subject to clause 12.1, we will not be liable to parents, guardians and / or children for any loss or damage of any kind (including financial loss) which is not foreseeable. Loss or damage is foreseeable if either it is obvious it will happen or, if at the time of entering into these Terms and Conditions, both we and you knew it might happen, for example if you discussed it with us before signing the Terms and Conditions.

13 We will make reasonable endeavours to ensure parents/guardians' and/or children's property is not lost or damaged. In the case of liability for loss of or damage to property, we will only be responsible if we have failed to use our reasonable care and skill or you have followed our policies and procedures.

Such events include without limitation acts of God, fire, war, acts of terrorism, strikes or other industrial action, infectious diseases, epidemics, pandemics, inclement weather (such as snow or flooding), unforeseeable repairs or any failure of public or utility services (such as highway and public transport delays or failures).

In the unlikely event that there is any sustained unforeseen closure of whole or part of the nursery, fees will be charged at 50% and we will advise parents of:

- the reason for closure;
- the likely length
- the reduced fees to be charged during that period

The fees will be charged at 50% of the normal rate to cover staff wages and unavoidable costs of utilities and insurance payments. In the event of unavoidable closure, notification of the level of payment and any additional information regarding the reasons for closure/costs being incurred will be provided to parents in line with the industry guidance issued by the UK Government on this issue.

The fees at the agreed reduced rate will be payable in line with the normal arrangements as set out above.
